Habakkuk Chapter 3:1-15

Book Chapter 5

1. For review summarize in your own words, briefly, what were the two complaints of Habakkuk and how did the Lord reply. Write down one of the complaints you have raised in previous lessons or a new one that has occurred to you as we did these lessons.

2. Read Habakkuk 3:1-2. What about God does Habakkuk invoke now? What requests does Habakkuk make? What do you think Habakkuk means when he says “in wrath, remember mercy”?

3. Look up these passages and record what happened. Exodus 3:1-2 and skim Exodus Chapter 11 and Chapters 13 & 14, Joshua Chapter 10. See if you can match these events with the references Habakkuk makes.
